GENERAL INFORMATION.

The edifice of the N. W. Institute is new. No pains or expense has been spared in its construction, to render it complete in its adaption to scholastic purposes. Its site is unrivalled for beauty and healthfulness.

Unwearied efforts are made by the teachers to establish pupils thoroughly in the elements and fundamental principles of whatever they study, and also to habituate them to a prompt and elegant expression of the ideas they may acquire. Constant demonstrations on the black-board, and frequent reviews are therefore practised. For further particulars see the Annual Catalogue and Circular of the Institution.

FEMALE CHARITABLE SOCIETY OF NEWARK.

Organized 1803—48 years ago.

This society was formed in 1803. The object of which was to assist all the *worthy poor* females of this city, without denominational distinction, who are of good character and standing, and in need of assistance. An annual sermon has been preached by some one of our Clergymen, and a collection taken in aid of the society, which together with donations from other sources, has enabled the society to *ameliorate* the conditions of thousands of suffering poor in this city.

The total amount received from November 14, 1849 to November 14, 1850 was - - - 502 72

Whole amount expended it the same time 444 67

And the number of families assisted (more or less) 150

The last annual was preached the 19th of January, 1851, in which the claims of the society were ably, feelingly, and forcibly presented by Rev. Jona. F. Stearns, in the First Church, on Sunday evening.

Amount of collection - - - - 162 33.

NAMES OF OFFICERS.

President—JAMES MILLER.

Treasurer—Wm. T. MERCER.

Secretary—Wm. A. WHITEHEAD.

<i>North Ward</i>	{	<i>Vice P.</i> —CORTLAND PARKER.
	{	<i>Supt.</i> —L. D. BALDWIN.
<i>West Ward.</i>	{	<i>Vice P.</i> —J. D. VERMILYE.
	{	<i>Supt.</i> —JOHN YOUNG.

	{	<i>Supt.</i> —A. S. HUBBELL.
<i>Fifth Ward</i>	{	<i>Vice P.</i> —HORACE J. POINIER.
	{	<i>Supt.</i> —ROBERT DOD.

The city is divided into Five Wards. Each of these Wards into Districts, to each of which is appropriated a Visitor. Whole number of Districts in the City is 46.

One object of this Association is to discourage indiscriminate alms giving. When an application is made for assistance, ascertain the Ward, Street and number of the residence of the applicant. This will enable you to find the District in which he lives, by referring to which you will see the name and residence of the Visitor, to whom send him.

VISITOR'S MANUAL.

1. Never relieve without first visiting, observing, and enquiring. You wrong the really poor if you give to the undeserving.

2. If deceived, report the case to your Committee at once, for record.

N. B. For the remainder of this society, I refer to the Directories for 1849 and 1850.

PROGRESSIVE GROWTH OF OUR CITY.

MR. B. T. PIERSON, Editor of the Newark Directory politely furnishes us (Newark Daily,) with the following table, showing the growth of our population during the last twenty-five years; in which period it appears to have nearly quadrupled—and that too by those regular gradations that indicate a sound and wholesome progress—There is, in truth, nothing forced or factitious in this remarkable growth. The prosperity rests upon the surest of all possible grounds—steady industry and sound morality. At the present rate of progress—and we see nothing that is likely to check it—the population must approach at least an hundred thousand within another 20 years. Fortunately there is room enough and to spare within our present city limits.

THE AMERICAN

Mutual Fire and Marine Insurance Co.

AT NEWARK, N. J.

This Institution, Chartered 1846, by the New Jersey Legislature, has been organized ; and is now in successful operation. Insurances against losses by fire and sea, may be effected in this Company on as favorable terms as are offered in any other institution. The charter is one of the most favorable ever granted by the Legislature. The most valuable features of the *Mutual principle* are possessed by the Company. All who insure are stockholders, and the profits, after paying expenses, belong to the insured.

A fund of \$15,000 has been reserved, to meet losses that may occur before the premiums received are adequate to pay the losses that may be sustained.

The Company having been incorporated expressly as a New Jersey institution and to meet the wants of this community, the attention of the public is called to the superior advantages possessed by the company, that its merits and claims may be investigated. For business or other information apply at the office of the company, 153 Market street, Insurance Buildings.

Policies are made on fair and equitable principles, giving to the insured an opportunity to share in all the profits of the business; annual dividends being declared on all policies that have subsisted successively for five years. Every person insured becomes thereby a member of the company, and is entitled to vote at the election of its directors. The Company is responsible for all surveys made by its agents, and agrees to arbitrate all matters of difference should any occur. Discrimination is made in favor of safer risks, and such are taken at *very low premiums*. The Company invites the closest scrutiny into its character and business. The unparalleled success of this Company over all others of its kind in this state, is the strongest assurance of its merits and of the superior inducements which it offers to the public.

PIERSON'S
NEWARK CITY DIRECTORY

FOR THE
76th YEAR OF AMERICAN INDEPENDENCE,
FROM 4th JULY, 1861.

Important observations to those using this Work.

Throughout this Directory, the christian names of those where there are more than one of the same surname, are carefully alphabetically arranged, male and female, firms, &c. In searching for a name, the inquirer must know the proper spelling. For example, a person seeking for—Pirsson, will not find the one sought for if he looks in the names of Pierson; so, also, for Bonnell, he should not look among the Bonnells; and for Conger, not in Congar; and for Parcels, not look in Parsals, Parcells or Parsil; nor for Hays in Hayes.

ADVERTISEMENT.

This, my seventeenth edition of the **NEWARK CITY DIRECTORY**, comes forth in good and reasonable time, notwithstanding the labor and expense is double now, to what it was in 1842, and without a corresponding increase of sales, which I ought to expect. There were 9,000 names last year, and 36,000 inhabitants. This year there are 10,000 names and 40,000 inhabitants—allowing (*as usual*) four persons to a name, (*which is the true ratio.*) There were built, from the 1st of April, 1850, to the 1st of April, 1851, over *five hundred* buildings of various kinds—among which were three churches, viz: the 7th (*High-st.*) Presbyterian, 197 High. Rev. Daniel W. Poor, Pastor; 2nd (South) Baptist, 42 Kinney-st., Rev. Dr. William Hague, Pastor; 6th Methodist (Central) 181 Market, Rev. Joseph B. Wakeley, Pastor; *all* of which now number *forty*—just *one* church for every thousand inhabitants. In 1836 the city census was 19,732; in 1840, U. S. census, 17,202; in 1845, city census, 25,433, at which time there were 775 more females than males; in 1850, U. S. census, 38,894—and by a supplement to the City Charter, passed at the recent session of the Legislature, two new Wards were created out of portions of the North, West, and South Wards—and the Assistant Marshalls for taking the census in this city, have carefully examined the census returns, and have ascertained, with great exactness, the population of the several Districts, or Wards, representing the bounds of the city of Newark, as hereafter constituted, viz: East Ward, 6,172; Fifth Ward, 4,597; North Ward, 5,750; Seventh Ward, 4,920, Sixth Ward, 3,349; South Ward, 7,658; West Ward, 6,448—total 38,894. In 1836 the buildings of wood, brick, or stone, were 2,300; 1845 the dwelling houses were 3,812; 1850 the dwellings were 5,106—making an average of just 200 buildings erected yearly for the last fourteen years. I gave early notice that I was printing *all* before and after the names, and that *all* those interested in that portion of my Directory to see to it, that all was right, and if not, to *tell* me—and if they wished their advertisement discontinued, to tell me, so that I hold *all* good for *pay* who did not tell me in time; and if any one *Jews* me out of *pay* for their advertisement, they will never have the chance again, and must not expect any more favors of the kind until all arrearages are *paid up in full*. My Seventeenth Edition is now ready for sale, and all that remains is for the citizens to *buy* and *pay* for them on delivery, or they may **WHISTLE** for the next **DIRECTORY**.
